PROFILE

I completed Grade 12 at Maiibu High School in 2022 with a Bachelors pass. My interests include software development, software engineering and programming. I am passionate about my career goals which is set in Information Technology. I am also currently studying at Life Choices Academy.

In my personal time, I am studying Karate and have attained a brown belt status. My aim to is complete all the required grading as this has strengthened my self awareness and discipline. I like pizza and McDonald's
